ACKNOWLEDGEMENTS

Completion of this research work was made possible with the support of several individuals, to whom I would like to express my sincere gratitude. First and foremost, I thank God for His blessings during my research journey.

I am deeply grateful to my research guide, **Dr. Ashish Shrimali** (Assistant Professor, Department of Commerce, Pacific Academy of Higher Education and Research University, Udaipur), for his valuable guidance, scholarly input, and consistent encouragement throughout the process. This achievement was only possible due to his unwavering support. I consider it a great opportunity to have pursued my doctoral program under his mentorship and to have benefited from his research expertise. Thank you, Sir, for all your help and support.

I would like to extend my wholehearted thanks to **Dr. Hemant Kothari**, PG Dean, Pacific Academy of Higher Education and Research University, Udaipur, for permitting me to conduct my research work at this esteemed institution with access to all necessary facilities. I also wish to express my gratitude to all the faculty members of the Commerce and Management departments for their constant support and guidance.

I am also grateful to my uncle, **Dr. Narendra Kumar Dhing**, whose invaluable guidance and professional attitude were instrumental in completing this thesis.

My sincere thanks go to **Dr. Hitesh Nasa** for his exemplary support throughout the research process. Additionally, I am thankful to my fellow researchers and friends who were always there to support me during the research period. I extend my appreciation to the administrative staff of the college for their cooperation and assistance in completing the research work, and to the library staff for their support and provision of study materials whenever needed.

I am extremely grateful to my parents, **Mr. Sunder Lal Dhing** and **Mrs. Kamla Dhing**, as well as my wife, **Mrs. Bhagya Shree Dhing**, my daughter **Sweeni**, my sisters, and all my family members, friends, colleagues, and well-wishers. Their support made this journey pleasant, and they helped me directly or indirectly in my research.

My sincere gratitude also goes to all the respondents who provided the valuable data on which this study is based.

I would like to thank everyone who contributed to the successful completion of this thesis and extend my apologies for not being able to mention each person individually.
