

**“Development, Optimization and Evaluation of Nanosized  
Particles Containing Anticancer Drug”**  
“कैंसर रोधी औषधि युक्त नैनो आकार के कणों का विकास, अनुकूलन  
और मूल्यांकन”

**A Thesis**

**Submitted for the Award of the Ph. D. degree of  
PACIFIC ACADEMY OF HIGHER EDUCATION AND  
RESEARCH UNIVERSITY**

**By**

**Priyanka Pandey**

**Under the Supervision of**

**DR. Jayesh Dwivedi**

**Professor**

**Pacific College of Pharmacy,  
Udaipur**

**Co- Supervised By**

**Dr. Shiv Shankar Shukla**

**Professor**

**Columbia Institute of Pharmacy,  
Raipur**

**FACULTY OF PHARMACY**

**PACIFIC ACADEMY OF HIGHER EDUCATION AND RESEARCH  
UNIVERSITY UDAIPUR  
YEAR 2024**

## **DECLARATION**

I **Priyanka Pandey** D/o **Shri Ramji Upadhyay** Resident of **Indore Madhya Pradesh**, hereby declare that the research work incorporated in the present thesis entitled “**Development, Optimization and Evaluation of Nanosized Particles Containing Anticancer Drug**” is our original work. This work (in part or in full) has not been submitted to any University for the award or a Degree or a Diploma. I have properly acknowledged the material collected from secondary sources wherever required. We solely own the responsibility for the originality of the entire content.

**Signature of the Candidate**

**Date:**

**Signature of the Supervisor/s**

## **CERTIFICATE**

It gives me immense pleasure in certifying that the thesis entitled “**Development, Optimization and Evaluation of Nanosized Particles Containing Anticancer Drug**” and submitted by **Priyanka Pandey** is based on the work research carried out under my guidance. She has completed the following requirements as per Ph.D. regulations of the University;

- i. Course work as per university rules.
- ii. Regularly presented Half Yearly Progress Report as by prescribed the University.
- iii. Published/ accepted minimum of two research paper in a refereed research journal.

I recommend the submission of thesis as prescribed/ notified by the University.

**Date:**

**Supervisor**

**Dr. Jayesh Dwivedi**

**Professor**

## **ACKNOWLEDGEMENT**

*This thesis is the end of my journey in obtaining my Ph.D. I have not traveled in blankness in this journey. This thesis has been reserved on track and been seen through to completion with the support and encouragement of many people including my well wishers, my friends, colleagues and various institutions. At the end of my thesis I would like to thank all those people who made this thesis possible and an unforgettable experience for me. At the end of my thesis, it is a pleasant task to convey my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me.*

*At this moment of achievement, first of all I pay reverence to my guide, **Dr. Jayesh Dwivedi, Professor**, Pacific College of Pharmacy, Udaipur. This work would not have been possible without his guidance, support and encouragement. Under his guidance I successfully overcame many difficulties and learned a lot. His unflinching courage and conviction will always inspire me, and I hope to continue to work with his noble thoughts.*

*I am also extremely indebted to my co-guide **Dr. Shiv Shankar Shukla**, Professor, Columbia College of Pharmacy; Raipur This work would not have been possible without his support and encouragement, guidance and his endless kindness.*

*I extend my heartily gratitude to the management Columbia Institute of pharmacy, Raipur for providing necessary infrastructure and resources to accomplish my research work.*

*I warmly thank Prof. Shailendra Saraf, Pt. Ravishankar Shukla University, Raipur, for his valuable advice, and Motivation throughout my work.*

*I gratefully acknowledge Prof. Swarnalata Saraf, Pt. Ravishankar Shukla University, Raipur, for her understanding, encouragement and personal devotion which have provided good and smooth basis for my Ph.D. tenure. This thesis is the result of Dr. Ravindra Pandey, Dr. Deependra Singh, Dr. Vishal Jain, Mr. Nirmal Dongre, Dr. Shailesh Jain, Dr. Amber Vyas, who were always there when I really needed. Thank you doesn't seem sufficient but it is said with appreciation and respect to all of them for their support, encouragement, care, understanding and precious friendship. I am much indebted to Dr. Satyendra Kumar Shrivastava, for his valuable advice in my work and gave his valuable suggestions.*

*I am heartily obliged to my dear friends and colleagues in line of work, for their kind, loving friendship, unwavering belief in me as a person and a thoughtful support provided to me along with jovial natters on regular basis. I will always cherish our time spent in little chats or long discussions as a treasured*

*memory. In fact, I truly appreciate all my colleagues at work, at present for being such a friendly, chilled out lot and creating a pleasant, very professional and academically desirable environment at college.*

*I owe my deepest gratitude towards my husband for his endless support and understanding of my goals and aspirations. His patience and sacrifice will remain my inspiration throughout my life. Without his help, I would not have been able to complete much of what I have done and become who I am. It would be ungrateful on my part if I thank Dr. Rupesh Kumar Pandey in these few words.*

*Last but not least, I would like to pay high regards to my Mother and Father, sister and my loving son satvik for their sincere encouragement and inspiration throughout my research work and lifting me uphill this phase of life. I owe everything to them. Besides this, several people have knowingly and unknowingly helped me in the successful completion of this project.*

## Certificate

This is to certify that Ms. Priyanka Pandey performed Research work related to her PhD thesis titled "Development, Optimization And Evaluation of Nanosized Particles Containing Anticancer Drug" at our institute.

Dr. Shiv Shankar Shrivastava  
Professor,  
Columbia Institute of Pharmacy,  
Raipur (C.G.)

RUN BY : JAN PRAGATI EDUCATION SOCIETY

City office :  
3rd Floor, Laxmi Plaza, Near Bijli Chowk, Budhpara, Raipur (C.G.) - 492001  
Ph. : 0771-4004682, Telefax : 0771-4004681

Campus :  
Village-Tekari, Post Girodi, Near Vidhan Sabha, Raipur (C.G.) - 493111
